

Golf Clubs Course Rating Information

USGA COURSE RATING REMINDER

Established Golf courses must be rated once every 10 years. Newly constructed courses should be rated once every 3 years for a period of 9 years. **Your golf club must have a valid Course Rating and Slope Rating to issue valid handicap indexes.** Your WOGA Golf Course and Club Dues entitle your golf course to have two sets of tees rated for women if you have been a member of WOGA for the past 5 years. If your course has not been a member, the charge will be \$250.00 and includes the 2010 club membership fee.
